

## How to find us

**By Car:** St Edmund's can be easily accessed from the A10 (from London or Cambridge) or the A120 (from Bishop's Stortford). These roads provide easy access to all airports, railway stations and central London, which is only 25 miles to the south.

**From the A10 South:** If you are approaching via the M25, exit at Junction 25 to join the A10 north. Travel for approximately 15 miles until you come to the roundabout which links the A120 and take the first exit left, signposted to Old Hall Green. Take the second turning right which is our Main Entrance.

**From the A10 North:** On by-passing Buntingford travel for approximately 4 miles and at the roundabout, which links the A120, take the third exit, signposted to Old Hall Green. Take the second turning right which is our Main Entrance.

**From the A120:** Remain on the A120 until you reach the roundabout at its end and take the second exit. Take the second turning right which is our Main Entrance.

**By Train:** The nearest main line stations are Ware and Bishop's Stortford, both of which are approximately a 15 minute taxi ride away and have regular service connections to central London.

**By Air:** All four of London's International Airports are within easy reach of the St Edmund's via the UK motorway network. Stansted - 20 minutes, Luton - 30 minutes, Heathrow - 1 hour 30 minutes and Gatwick - 2 hours, all have regular scheduled flights around the United Kingdom, Europe and International destinations.
