Registration Fee
An £100 non-returnable fee is payable on registration via our admissions online, secure portal except for entry at Nursery.

Acceptance Deposit
An Acceptance Deposit of £750 is payable on confirmation of an accepted place. This money is held in order to cover any necessary or emergency expenses incurred during the student's time at the College. This amount will be refunded when the student finishes, less any expenses incurred.

Tuition Fees are payable in advance before the commencement of the College term to which they relate. All other items, but not limited to coach fares, public examination fees, educational trips and weekend or evening boarding trips are charged in arrears at the end of the term to which they relate. All extras will be detailed on the termly invoice you receive.

The fees are inclusive of the College-wide accident and personal effects insurance schemes. Full boarders can also be covered by the College AXA PPP health insurance scheme (on application).
