ST EDMUND'S COLLEGE & PREP SCHOOL

Our Community

The College has an incredible sense of community among its staff which can be felt immediately. The fascination of our setting is lasting and the Good Schools Guide describes the College as: “A successful, flourishing, dependable school with real spiritual heart.”

Our 400 acre site with its large leafy grounds, impressive playing fields and attractive school buildings offers modern facilities in a country setting, providing a safe and stimulating environment for young minds. With excellent transport links and only 30 minutes by train to central London stations, the College is 20 minutes’ drive from junction 25 of the M25, immediately off the A10. Also within easy access is London Stansted airport, which is a 20-minute drive.

At St Edmund’s we strive to:

- Provide a rounded education for the whole person – intellectual, physical, emotional and spiritual.
- Encourage students to demonstrate care and concern at home and in the wider community.
- Reflect the scholarship of St Edmund with a balanced and challenging curriculum for each individual.
- Show concern for all within the College community, demonstrate our collective commitment to be truly Christ-centred in all we do, and ensure that the students’ experience of relationships within the College reflects the Gospel maxim, “Love thy neighbour as thy self”.
- Build on our enriching Catholic heritage, making prayer, worship and liturgy a central part of our lives and our community.
- Create meaningful interaction between the College, home and the wider community and prepare our students to make their way in the world while making a difference to the world.

The ISI regulatory compliance inspection in November 2019 recorded that all eight parts of the standards were met.

Rooted in Christ and Catholic tradition and under the guidance of our patron, St Edmund, we aim to realise the God-given potential, in body, mind and spirit, of all members of our community through service and leadership.

ST EDMUND'S COLLEGE & PREP SCHOOL

Our History

Founded in 1568, St Edmund's College is the oldest Catholic school in England, offering an all round co-education for students from 3 to 18. Our community values both academic excellence and the achievement of one's personal best, right through from our Prep school, to Sixth Form and beyond. We are proud of our academic achievements at GCSE and A Level.

Originally located in Douai, France as a seminary to train priests, the College also became a Catholic school for boys. During the French Revolution, it transferred to England and found its present home on the beautiful site of Old Hall Green in 1793.

In 1874 the junior boys were separated from the rest of the College into St Hugh's Preparatory School, which became St Edmund's Prep in 2010, and in 1974 girls from the adjacent Poles Convent were admitted to Rhetoric as the first stage towards co-education, which was accomplished by the closure of Poles in 1986.

- Christ Centred Education
- Scholarship of St Edmund
- Education of the Whole Person
- Home and the Wider Community
